Indigenous Culture Discovery

IMMERSE YOURSELF IN THE EXCLUSIVE EXPERIENCES

As with all Anantara resorts, we pride ourselves being able to offer experiences that will enrich your stay with us. Wander in the rainforest, be amazed by the birds and animals that call Desaru Coast their home or simply reset yourself with yoga and sunrise dong stick sessions at the beach. Daily guided nature walks, bird watching and beach discovery walks are fun and educational for the entire family.

Desaru Coast is poised to be the next shining star as a tourist destination with charming fishing village history and a growing attractions in this area. Choose from world-class golf course, waterpark or simply kick back and relax in the Resort.

Desaru Beachlife & Tidepool Discovery

Desaru Beachlife & Tidepool Discovery

During each low tide, Desaru Coast comes alive with a myriad of interesting and secretive creatures. A hidden world often visited by the curious among us but seldom understood. Many interesting creatures have been patiently waiting out the high tide, appear during low tide to feed and interact.

During the walk, be amazed by the patterns on the beach made by the sand bubbler crabs, moon snails and other crustaceans. Learn about the seashells, corals and seaweeds washed ashore. See shorebirds include several species of Terns, Plovers, Whimbrels, and resident birds like Collared Kingfishers, Brahminy Kites, White Bellied Sea Eagles and Little Herons.

Sunrise Dong Stick

Dong Sticks is a joyful body-mind practice developed by an elderly master who wanted to remain supple until old age. The sixteen mindful motions supported by a bamboo cane promotes agility, joint strength and flexibility, reduce stress and increase mental clarity and stability.

We gather at the beach at the break of dawn, listening to sound of the waves as it laps the shore. Soaking up the gentle rays of the morning sun, a great source of vitamin D. We begin with breathing exercises to relax the muscles and mind. Your instructor will guide you through the sixteen motions, assisted with a bamboo stick to help stretch, strengthen, and increase flexibility.

Mangrove Afterdark & Firefly Cruise

Mangrove Afterdark & Firefly Cruise

Starting from Desaru Coast, we embark on a scenic drive to the Sungai Lebam River, passing through lush secondary forests and stretches of land cultivated with agriculture and palm oil. Upon reaching the river, we board our explorer boat and set off to uncover the hidden beauty of the mangroves. The wide river is lined with rich, verdant forests teeming with wildlife, and as we approach the jetty, a quaint fishing village and floating restaurant come into view, offering a glimpse of authentic local life.

As the boat glides gently along the river, our guide reveals the fascinating secrets of this unique ecosystem. When night falls, the Sungai Lebam mangrove forest transforms into a scene of pure enchantment, hundreds of fireflies illuminate the darkness, their soft yellow, green and pale red glows shimmering around the Berembang trees, creating an unforgettable natural light show.

Panti Rainforest Awakening

Panti Rainforest Awakening

The Panti Forest Reserve covers nearly 275 sq km of lowland dipterocarp rainforest which is home to over 25 species of mammals, including the critically endangered Malayan Tiger, Asiatic Elephant, and Malayan Tapir. It is also home to the very loveable, White-handed Gibbon, Pig-tailed Macaques and Banded Langurs. An early start ensures that we arrive at the Bunker Trail in time to listen to the rainforest 'dawn chorus' made up of songbirds and the haunting calls of the gibbons.

Several kms into the journey we will explore a jungle trail. Here your nature guide will unravel some of the interesting plants, trees, insects, and small mammals we may chance upon.
